

Discover the Largest Collection of Fruit in the World!

Here at Brogdale we offer our group visitors great days out and deals throughout the whole year.

Guided Tours

Tractor Trailer: 1 Hour (approx.)

On arrival, you will be greeted by one of the Brogdale team and introduced to your private tour guide and our fantastic tractor driver. Your private guide will then offer a running commentary on your journey around the National Fruit Collection. Each collection offers unique varieties with interesting facts, stories and history to discover.

Tractor Trailer Tour (max. 30 people) £9.50 (+ £50.00 tractor trailer charge)

Walking: 1 hour 10 min (approx.)

On arrival you will be greeted by one of the friendly Brogdale team and introduced to your private tour guide. Your knowledgeable guide will then welcome you to Brogdale and introduce you to the National Fruit Collection before starting your fascinating tour of the orchards by foot. If you visit during a fruit harvesting season then your tour guide will select the best of the crop for you to try during your visit.

Walking Guided Tour (min. 10 people) £9.50

There is also;
Cream Tea & Tour (min. 15 people) £17.00
Dogs are not allowed at any time in the orchards or on any walks or tours.

Bespoke Group Tour Days

Brogdale Collections can develop a bespoke day out for your group. We can incorporate additional

elements to your day which will perfectly complement your walking or tractor trailer tour.

Why not add a cream tea to you day or sample fresh fruit, and fruit juices from the National Fruit

Collection.

THE NATIONAL FRUIT COLLECTION & SEASONS

Blossom

The Blossom display at Brogdale is like no other, with different varieties and fruits blooming between March and May with colours from bright white to fuscia pink, you won't see anything like it anywhere else!

Best Time to Visit – April

Cherries

The Blossom display at Brogdale is like no other, with different varieties and fruits blooming between March and May with colours from bright white to fuscia pink, you won't see anything like it anywhere else!

Varieties in Collection - 404

Best Time to Visit - Mid June - Early July (Depending on Variety)

Plums & Gages

The Blossom display at Brogdale is like no other, with different varieties and fruits blooming between March and May with colours from bright white to fuscia pink, you won't see anything like it anywhere else!

Varieties in Collection - 332

Best Time to Visit – Late July - Late August (Depending on Variety)

Nuts

The hazelnut & cobnut collection was replanted in 2002 and has varieties that come mainly from Europe. Nut trees can live for up to 100 years.

Varieties in Collection - 48

Best Time to Visit September

Apples

The apple is the largest collection at Brogdale with varieties coming from all overthe world and almost every county in Britain. Apples can be sweet, sharp, aromatic, crispy, juicy or soft & creamy.

Varieties in Collection - 2131

Best Time to Visit – Late September - Mid October

Pears

The pear collection, like the apple, has varieties from all over the world. Their rich flavours and buttery or gritty texture has meant that pears have been popular for thousands of years.

Varieties in Collection - 523 - Best Time to Visit – September - Mid October

Quince

The pale quince flesh has a rosy colour when cooked is traditionally stewed,poached or baked in desserts, often with other fruits.

Varieties in Collection - 19 (Culinary) - Best Time to Visit – October

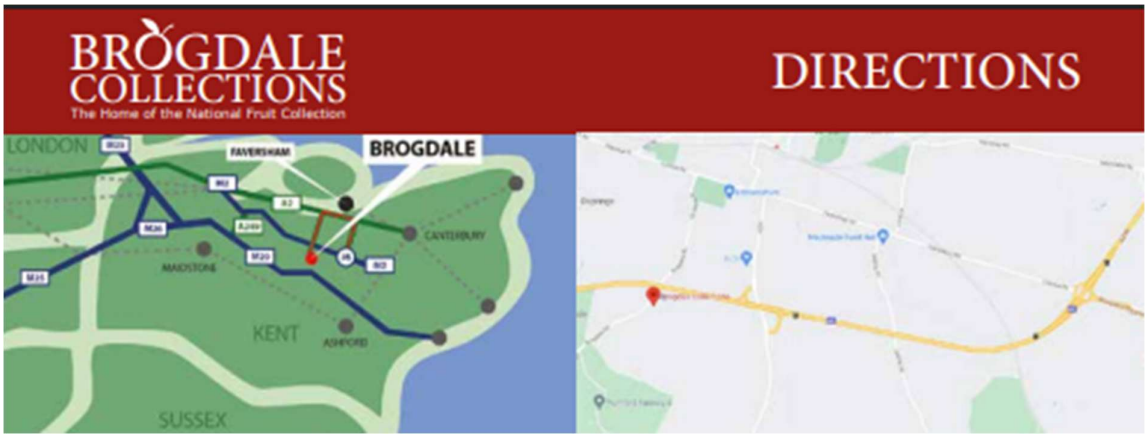

Medlars

Medlars fruit is tart if eaten raw, but makes nicely flavoured jellies and chutneys or can be used in desserts. Left to soften or "bletted" the fruit mellows and the texture softens.

Varieties in Collection - 4 - Best Time to Visit – October
